Subject: Celebration of Children's Day

Dear Members of the Parents' Society

"Every happy memory created for a child is another treasure of a life time."-Donna Marie.

To add splendid memories to the treasure box of our dear students, we are organizing a day of fun and frolic on the occasion of Children's Day on 14th November, 2022.

Many surprises are awaiting the children including cricket and kho kho matches between the students and teachers.

It would be lovely if you could also contribute to the smiles galore by sending homemade food items for the school picnic in the school premises. The children will be sharing food with one another to strengthen their camaraderie.

You are humbly requested to prepare some sumptuous food, using your exclusive recipe so that your ward can proudly share your culinary creation with his/her friends and teachers.

Let us create a memorable event in partnership.

Happy Children's Day to our children and the child within us!

Best Regards

Skylark World School
