Skylark World School

Circular Number: SWS2043(STU)

Date: 20th July, 2023

Dear Parents and Grandparents

Greetings!

Assessment is an integral part of instruction. It affects the learning curve, confidence, and grades of a student. Today's students need to know not only the basic reading and arithmetic skills, but also skills that will allow them to face a world that is continuously changing.

Students must be able to think critically and apply the knowledge earned in the classroom. Periodic Assessment 1 was a pen paper assessment but P.A 2 will not be a regular pen paper test. It will be a collection of tests that will encourage qualities like collaboration, creativity, communication, problem solving, decision making etc. To integrate 21st century skills with the school curriculum, children will be assessed on role plays, presentations, speeches, quizzes, models, story writing, essay writing etc (for P.A 2 only).

The syllabus for each subject will be shared with you along with the activity and required guidelines. You can help the child learn the content but parents do not need to prepare the children in a regular way. The subject teachers will support him/her to attempt the test. Parents are expected to ensure attendance of the child on test days.

You may contact the Class Teacher in case of queries.

Best Regards

Principal
